

**Odell Studner Group**

ACRISURE® PARTNER

HOME CARE PRACTICE GROUP

**Outside of payroll, workers' compensation is typically the second-largest expense line for home care agencies.**

Is your insurance broker actively working to lower your top-line workers' compensation expense to improve your bottom-line growth?

**We Do.**

Odell Studner takes a proactive approach in helping home care agencies on a national basis improve safety and control workers' compensation costs through unique risk management initiatives that have proven to increase profitability.

### **WHY WORK WITH ODELL STUDNER?**

Our proactive, highly qualified, dedicated Home Care Practice Group understands the intricacies of the home care industry to better serve our clients & properly manage risk while reigning in insurance costs.

### **WORKERS' COMPENSATION EXPERTISE**

Our services go much farther than just placing insurance coverage. We help design customized insurance programs and provide detailed claims analytics & loss control programs to proactively prevent and mitigate claims.

### **BROAD INSURANCE CARRIER AND PROGRAM NETWORK**

We offer access to a wide range of insurance carriers and programs with specific solutions for the home care industry to help lower costs while mitigating risk. This includes various forms of self-insurance products and exclusive programs for our clientele.

### **RISK MANAGEMENT SERVICES**

We provide traditional and non-traditional customized risk management programs, including:

- Risk reduction audits
- Claims management consulting
- Loss prevention programs
- Patient and employee safety programs
- Contract reviews
- Certificate management programs
- Benchmark peer reviews
- OSHA audits
- Workers' compensation mod reviews
- Captive and self-insurance feasibility studies

From in-house loss control to our claims management department, we deliver tailored solutions and a comprehensive range of services.
